

WALL CONTROLLER

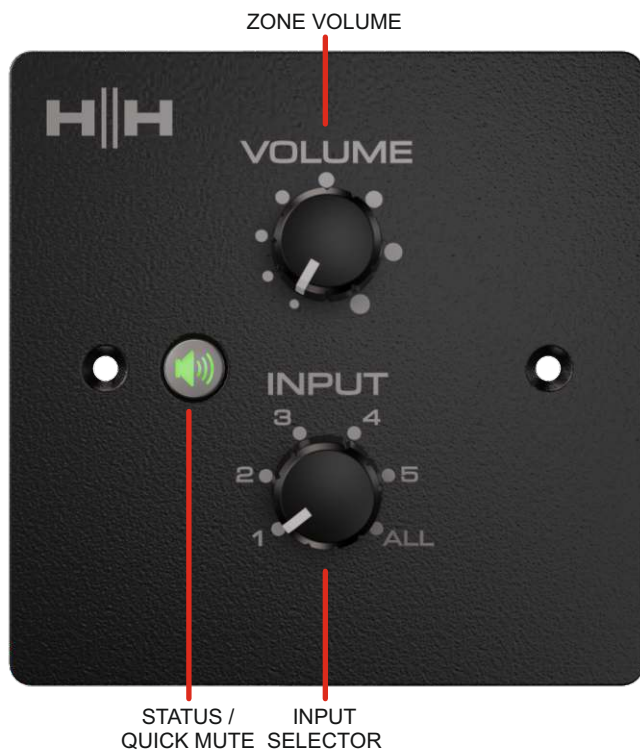

MZ-SERIES INSTALLATION

MZ-C2

The MZ-C2 is a wall mounted volume controller and source selector for the MZ series zone distribution amplifiers. The MZ-C2 allows the installer to select which zones the volume control is assigned to, and has a handy quick illuminated mute option to avoid moving the volume control. Front mounted source selector control allows the user to select which input is routed to the selected zone/s. Connected using standard Cat5 cable, installation is quick and easy. MZ-C2-EU-BK is finished in satin black and fits a standard UK sized single patress box. White version available (MZ-C2-EU-WH)

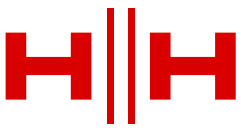

FEATURES

- Volume and Source Select
- Standard UK sized 1G Patress
- Satin Black finish
- Installer DIP switch settings for controlled zone/s
- Control 1,2,3 or 4 zones with one control
- Quick Mute Switch with Status Led
